In the lovely dunes of Holmsland Klit, between Ringkøbing Fjord and the North Sea, you will find Klegod Fiskesø (5 km north of Hvide Sande). In two lakes that over 12,000 m<sup>2</sup> you are sure of a great angling experience. We put out rainbow trout – and with Holmslands Klit as your panoramic backdrop you are sure of a rich nature experience all year round. We put out rainbow trout on the basis of angling permits sold, so you are guaranteed a great chance of making a catch. Enjoy your day at Klegod Fiskesø.

Round the lake there are tables, benches and good shelter. In the anglers' house we have a newly furnished living room as well as a covered terrace, with toilets for ladies, gents and invalids. We have good cleaning facilities, and a worm and tackle vending machine as well as a money changer machine. Play area and grilling facilities. Angling permits can be bought from the vending machine – pay with Kr. 1, 2, 5, 10 and 20 coins (or € coins and banknotes). The lakes and surroundings are ideal for school, company and family outings.
