## Opening Hours

Open all year from sunrise to sunset at near freezing of the lakes

Come and experience our four fine angling lakes, with approx. 55,000 m<sup>2</sup> of crystal-clear water and lots of fish.

Situated only 12 km from Odense and in beautiful rolling countryside where you can always count on finding shelter. We give priority to quality and service, and daily put out various species of trout of up to 9 kg.

The lakes are well-suited for fly fishing as there is plenty of room around the lakes. We also have a fantastic children's lake that is brimful of child-size fish, so there is every chance that the kids will be able to come home with a big experience!

Facilities: In our visitors' building you have access to toilets, communal room, cleaning area and scales. We sell tackle and refreshments from our on-site van. We also offer hire of complete angling rod for only DKK 50 per day. Round the lakes and the visitors' building there are lawns with tables and benches, grill, refuse bins, etc. Large groups are also welcome. Our large, heated party room has tables and benches, a fridge/freezer and grill, can seat 80+ people and is the perfect setting for the big company event or a family excursion. Click in and find out more at [www.fyfi.dk](http://www.fyfi.dk) or follow us on Facebook, where we and our visitors share stories and show off their fine catches.

We look forward to welcoming you!
